Thursday, March 17, 1955 — Eight Pages — Price 7-cents

## One Viking Named To All-State

Viking co-captain Richard "Red" Hamilton who consistently led the green and white this season and who topped the Northern Class C conference in scoring this year, was the only Grayling player to be mentioned on the Detroit Free Press All-State Class C basketball squad that was released Sunday.

Hamilton was placed on the sixth team. Others from the conference to gain mention were Quinton Walker of Charlevoix who was placed on the fourth team and Melvin Davenport, Pelston Hornet center; Robert Danforth, East Jordan guard and George Middlebrock, Bay City center were all given honorable mention.

In that Charlevoix won the regional crown last Saturday night at Petoskey in defeating Traverse City St. Francis, the All Conference team will not be released for publication at least for another week. Conference rules set up by the member school's coaches and athletic directors will not allow publication of an all conference team until the last member is eliminated from tournament play.

Another All-State selection was Larry Hulce of Roseconium who was placed on the third team in Class C. Hulce has been an outstanding performer for the Bucks all season.

Arlie Wilson returned home last week after spending several weeks in Florida.

## PLAN ANOTHER SUMMER DENTAL FLOURIDE PROGRAM

Work is being started on the dental topical flouride program for the summer of 1955. In the past summers, children in the 2nd, 4th and 8th grades will be offered the flouride treatment. Attention is called to the fact that this year will be a repeat year for those children first treated during the summer of 1952. Second and 8th graders that year will now be 5th and 8th graders and should have the second series of treatments this year. Letters are being sent home with children of the above mentioned grades; the first letter explaining the program; and the second letter about two weeks later with a request for service. The card must be signed and returned to the school with a \$2.00 deposit, as explained in the letter, by April 18, 1955. The balance of \$1.00 is to be paid at the time of the first treatment. Parents with children in the above mentioned grades, if they receive the letter and request for service card, contact the health department or the teacher.

Three-year-old children will also be included in this program. Parents interested may contact their County Nurse or call the Health Department office.

Every child 3 years old or in the 2nd, 5th or 8th grade should have the benefit of this treatment. Call your local dentist, the school or health department if all your questions have not been answered. This program is conducted by the local health department, local sponsoring groups, the local dentist societies and the school people in your area.

## Chamber To Interview Applicants

The Board of Directors of the newly organized Crawford County Chamber of Commerce will hold a special meeting Friday night to interview applicants for the position of manager of the new Chamber.

The board held its regular monthly meeting last week and discussed the winter sports program, directional signs to the new Chamber building, rail freight rates, new industry, accommodation folder and several other matters.

The board also decided to hold a special meeting on the fourth Wednesday of each month until further notice as well as their regular meeting which is scheduled for the second Wednesday of each month.

Among the communications received was a letter from the Michigan Outdoors Writers Association which the Chamber helped to entertain a short time ago. Several letters from applicants for the manager's position were received and discussed. Secretary William Sorenson announced that all requests for accommodations and information received the previous month had been answered.

## STATE CANDIDATE VISITS IN CRAWFORD COUNTY

John M. Veale, Democratic candidate for the State Board of Education in the April 4th election visited Crawford County, March 10th on a campaign through Northern Michigan. He inspected school facilities in Grayling and Frederic and discussed educational problems with school officials and local residents.

"In today's complex society," he pointed out, "we cannot afford to have half educated or uneducated children and our elected state school officials must provide the leadership necessary to restore the quality of our educational system."

The candidate advocates a state guarantee of local school funds to make more money available at reduced interest rates, investment of state bonds in school bonds, and assistance to local districts in construction planning from the state Building Division.

"In the next 10 years," he said, "we must double the number of teachers required to meet the needs of our school population." In order to attract and retain persons in the teaching profession he favors a state salary of \$4,000 for fully certified teachers and an increase in retirement benefits.

"A dollar spent for education," he added, "is one of the best investments a community can make since it pays off in reduced costs for juvenile delinquency, reduced costs for fire and police regulation, reduced medical expense, and increased income to the person receiving the education."

Veale, an attorney and educator, married with 2 children resides in St. Clair Shores. He holds a B. S. in Education from Wayne University and state secondary teaching certificate. In 1942 he won a Teaching Fellowship in Public Administration from Syracuse University.

Following 2 1/2 years military service in World War II he attended University of Michigan Law School and graduated with a Juris Doctor Degree. In 1951 he was appointed by Governor Williams to the Michigan State Bar Association and served until 1954. He is a member of the State Bar of Michigan, American Legion, Amvets, and Fraternal Order of the Eagles.

## 3 File For City Council Posts In Off Year Spring Election

### LOCAL SKIERS WIN SIGNIFICANT AWARDS

Among the many skiers who won awards at a potluck supper held at Skyline Ski Club south of Grayling, Saturday evening were Roger Cady, Dennis Hayes, Larry Cady, Sam Gust, Pete Olson and Frances Cady.

All placed in various ski races held at Skyline on the weekend of March 5th and 6th. Roger Cady captured first in the middle slalom with Dennis Hayes first in the slalom slalom. Larry Cady took fourth in the same race. Sam Gust was fifth and Pete Olson sixth. Cady sixth in the championship slalom race.

### Veterans Look To Red Cross Home Service

#### Crawford County Home Service Report

Veterans and their dependents look to the Red Cross Home Service for assistance in applying for federal and state benefits to which they are entitled. Red Cross representatives cooperate with the Veterans Administration by providing information required for processing requests for assistance.

Emergency relief to citizens when such service does not duplicate the work of another community agency, and a foreign location inquiry service still another part of the Red Cross Home Service program.

In an annual report to the Crawford County chapter, Mrs. J. L. Martin Home Service chairman, reported that 60 cases were serviced by the local chapter in a year. Of these, 37 cases involved servicemen or their dependents, 7 involved veterans or their dependents, and 16 involved civilian problems.

Mrs. Martin said the local chapter used \$285.67 in loans and grants to meet emergency needs during the year. While administrative expenses, as Western Union and telephone and postage totaled \$197.89 of which the chapter was reimbursed \$38.15 by National Red Cross.

Continued requirements for a large military force to serve overseas indicates a constant need for the Home Service program, Mrs. Martin said. Persons separated from their families continue to look to the Red Cross as the link of communications with home, she said.

Funds to support the Home Service program of the local Red Cross chapter as well as Crawford County's share of the national Red Cross program will be solicited during the March Red Cross Campaign.

Not listed as cases are the many calls for information and counseling during the year.

Probably over 100 hours of volunteer service has been given for Home Service work the past year. This service is financed solely by contributions from the American people — When you are called upon to help please join and serve.

### SPORTSMEN CLUB MEETS WEDNESDAY

The regular monthly meeting of the Grayling Sportsmen's Club will be held at the club house Wednesday night, March 16th at 7:30 p. m.

An excellent program has been arranged and it is expected that representatives of the Conservation Department from the Roscommon office will be at the meeting.

A movie "Bobwhite Throughout the Year" will be shown. This picture was taken in Missouri and is said to be the most outstanding outdoor movie of the year.

The committee hopes that there will be a large turnout of members and also wishes to announce that visitors and guests are welcome.

### State Office Clash In Hot Ballot Battle

#### 4 Amendments Face Voters

Only three men filed to run for three Grayling City Council posts in the April elections. Councilmen Don E. Cuthbert and Emil Gledhill have filed to run for re-election to their posts while Paul Tavanen whose term also expires has not filed to run. Tavanen is now employed by the State of Michigan as an auditor and being under civil service can not hold elective office. The third man to file for a Council Post is Dr. John F. Cook, local dentist, who is a member of the city political field.

The clash between the Republican and Democratic parties for the two Supreme Court posts, two seats on the Board of Agriculture, College, the University of Michigan Board of Regents which operates the teacher's colleges as well as the post of Superintendent of Public Instruction, is a hot and heavy affair reminiscent of a presidential race.

Political experts predict one of the following will win.

### NAME SPEAKERS FOR PROGRAM

A master of ceremonies and three speakers have been named by the committee who are planning a public recognition program for Dr. Louis F. Hayes of Grayling on Friday, March 25th at 8:15 p. m. at the Grayling High School auditorium.

Dr. Hayes will leave for the armed forces at the end of the month. Dr. B. Elmore Henig of Grayling will act as master of ceremonies, it was announced. Speakers will include Dr. Robert Libbey of Grayling, Charles Doyle of Lewiston and Mayor A. L. Roberts of Grayling.

Thane Hendershot of Grayling is the chairman of the committee planning the affair. He is being assisted by John H. Peterson, James Dwyer, Charles Pyle, John A. Breitenstein, Leslie Hunter and Robert Strong.

A further program is being planned by the committee and will be completed during the coming week. It was announced. Expected to attend the public recognition program will be a large number of people from Lewiston, Lovell, Frederic and Roscommon as well as from Grayling.

### VOTE ON METERS

The voters of the City of Grayling will also be handed a ballot at the Spring Election on which to make their preference as to the installation of parking meters in the business district of the city.

The vote is framed as an "advisory proposition" and the voters are assured that the vote will not be binding but would give the members of the City Council the feeling of the voters on the installation. The Council for some time have been plagued with whether or not to acquire parking meters and install them. They felt a vote of the citizens of Grayling would give them some idea of the popularity of such a move.

### ONE INJURED IN FREDERIC CRASH

One person was injured, two cars severely damaged and a driver ticketed as the result of a highway collision on US-27, just south of Frederic Saturday afternoon.

A car being driven south by Grace Partello, 39, of Grayling turned east towards a driveway and collided with a car being driven north by Lloyd L. Dye, 50, of Saginaw. Mrs. Dye sustained a broken arm and leg. Partello was ticketed for driving without a driver's license by Sheriff John A. Papendick who investigated the accident.

Three men were in the Crawford County Jail over the week end after being arrested in Roscommon County on charges of being drunk. Wayne A. Rawson, 56, of Hillman is still in jail after being fined \$50 or 15 days. He has not as yet paid the fine imposed by a Roscommon Justice of the Peace. He was arrested by the State Police early Monday. Floyd Beal, 64, of Lansing and Howard Elliot, 61, of Highland Park, were released from jail Monday to appear in a Roscommon County justice court after being arrested Saturday by State Police in Roscommon on drunk charges.

### RED CROSS

Members of the Woman's Club will call on the residents of Grayling Tuesday evening, March 22nd, at 8:00 o'clock in behalf of the Red Cross Drive. Mrs. Raymond Weaver and Mrs. Maurice Alma will be calling on the residents of the city.

## Forest Management A Growing Business In Northern Michigan

By JAMES C. LAMY  
District Forester

"What do you do? Just what are the duties of a District Forester?"

This question, in one form or another, is frequently asked by local residents.

Before answering that question, it is important to understand the general activities and functions of the Forestry Division, Department of Conservation, which help to give you a clearer picture of the forester's job.

The Forestry Division is charged with managing over 3,700,000 acres of wild land in Michigan. This vast acreage is divided into 23 State Forests, each in charge of a District Forester. Our primary objective in managing State Forests are threefold: 1. Production of timber, a vital production source in our forest economy; 2. providing recreation for the millions who live in or visit Michigan.

Principal among the many aspects of a District Forester's job is the very large task of timber management. Commercial logging is entirely by commercial timber sales. Besides the cutting of mature timber, thinning, release cuttings and improvement cuttings are all accomplished by the sale of timber to commercial loggers. A number of related activities make up the total timber picture. First is the determination of a forest wide basis, or what stands are in need of immediate treatment and what stands should grow for another five or fifty years before some sort of cutting should be made. The stands most in need of treatment are then cut, mapped, and a decision made as to the cutting specifications which will result in maximum growth of the residual stand or adequate reproduction in the case of heavier or complete cuts in mature stands. Where the condition of the stand is such that the desired timber can be obtained a diameter limit cutting is employed in order to reduce to a minimum the time-consuming job of individual tree selection. Most foresters have several reliable operators who will cut a stand as desired with a minimum of supervision. The timber to be sold must be offered at public auction if over \$300.00 worth of stumpage is involved. (\$500.00 in Upper Peninsula). Parcels are estimated at the time the amounts can be sold by informal sale to operators of the District Forester's choosing. Once a timber sale permit has been granted, frequent and regular checks are necessary to insure that the sale is being conducted in accordance with the permit. Stump heights, utilization standards, and slash disposal are being adhered to and whether the operator is exercising reasonable care to eliminate damage to the residual stand in its felling and skidding. After cutting, the forest products are sealed by a forester and paid for at the stated stumpage prices. Though operators are responsible for removing their own lines, it is occasionally necessary for the forester to check boundaries to determine whether all specified timber has been cut or whether a trespass has occurred. Increasingly, the production during the past forty years is now yielding larger returns each year as protected stands reach maturity. Many of our earlier plantations are coming into production. The net result is that the timber sale load continues to climb with every passing year. At the same time utilization of forest products continues to increase and there is a growing consumption of wood and wood derivatives.

This is the forest, the standpoint of recreational use of forest lands. High game populations are an added boon to recreational use. Mature forests are not normally conducive to high game populations, but cut over lands and all-aged forests provide excellent game habitat. The growing and harvesting of merchantable timber appears to be the most sound method of providing suitable game conditions and insuring the maximum contribution to all uses of public forest lands. Primarily because of the increase in the timber sale program a number of Assistant Foresters have been employed since 1928. Most districts now have a full-time assistant.

A number of other permits are administered by the District Forester including use permits for grazing, agriculture, hay, public dumping grounds, sawmill sites, mining permits for gravel and clay, fill dirt, tree timber permits for dead and down fuelwood for domestic purposes, access road permits to cross state land, special use permits for archery ranges, winter sports areas, boat launches, etc.

On each forest district a system of forest campgrounds is maintained for the added enjoyment of the millions who vacation in Michigan. Campground construction, improvement, and maintenance is supervised by the District Forester, assisted during the summer months by a seasonal forester.

**FORMER RESIDENT PASSES IN FLINT**

Word has been received here, of the passing of Mrs. Minnie McGuire at her home in Flint, Michigan, after a long illness.

Mrs. McGuire, age 74, widow of the late Frank McGuire, was a resident of Crawford County for many years, having lived at DeWard during the lumbering era. She with her family, moved to Flint in 1925 and has since made her home there.

She is survived by three daughters, Mrs. Margaret Tomaszewski, Mrs. Kathryn Windom and Mrs. Agnes Burleigh; and four sons, Thomas, Andrew, Henry and Frank. All of them are in the family.

Funeral services will be held at 10 o'clock, Monday, at the funeral home of the late Mrs. McGuire. Burial will be in the New Calvary Cemetery in Flint.

**LEGAL NOTICES**

**STATE OF MICHIGAN**

The Probate Court for the County of Crawford, held at a session in said Court, held at the Probate Office in the City of Grayling, in said County, on the 14th day of February, 1955.

Present, Honorable James V. Rutledge, Acting Judge of Probate.

It appearing to the Court that the time for presentation of the claims against said estate should be limited and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before said Court.

It is Ordered, That creditors of said deceased are required to present their claims to said Court at said Probate Office on or before the 25th day of April, 1955, at 10:00 o'clock in the forenoon, said time and place hereby appointed for the examination and adjustment of all claims and demands against said deceased.

It is Further Ordered, That public notice be given by publication of this order, once in each week for three weeks consecutively, previous to said day of hearing, in the Crawford County Avalanche, a newspaper printed and circulated in said County.

James V. Rutledge, Acting Judge of Probate.

A certified copy.

## Soviet Formula Backfires...

For a year or more, the Soviet government's domestic propaganda stressed a program for vastly increasing production of consumer goods. The Soviet people, this line said in effect, would soon get more and better food and manufactured goods, and living standards for the masses would soar.

Late in January, Pravda, the official Communist party newspaper, published a significant article. An AP dispatch from Moscow said that western diplomats there regard it as "the most important appearing in the Soviet press in months." The article, which was of course inspired by the Kremlin, denounced the emphasis on consumer goods and said that the further development of heavy industry is the essential thing. At the same time the trade minister, who had done much to spark the consumer goods campaign, was relieved of that job.

Various inferences can be made from all this. One is that all is not well back of the Iron Curtain—that there is internal trouble and dissension. This idea is developed in detail in the lead article in the U. S. News & World Report of January 21.

According to the magazine, "Communism's heralded 'wave of the future' turns out now to be a wave of hunger and want—of chaos approaching disaster. At a time when the capitalist West is booming as seldom before, Soviet East Europe is wallowing in trouble."

This has reached the point where there is open dissension among officials in the satellite nations and rumors of major cleavages inside Russia proper. The shortages are universal—in housing, food, clothes, manufactured goods. Here, in brief, is how U. S. News sums up the situation, based on the most reliable evidence available.

**RUSSIA:** The people still live on a bare subsistence basis. As an example, it takes the average man 47 days of work to buy a winter suit. Russia has fewer cattle now than in the days of the czars, though

her population has jumped by 50,000,000. **EAST GERMANY:** It is a real critical area with wide spread discontent and growing sabotage and absenteeism. The people are hungry and cold.

**HUNGARY:** In a state of crisis, with mounting food shortages and declining industrial production, there are armies of unemployed.

**CZECHOSLOVAKIA:** This little country was once among the most advanced in all Europe. The standard of living was high and life was happy. Under Communism all that has changed, and want is the order of the day. U. S. News quotes one housewife as complaining that for six months she hadn't been able to find gloves, socks or winter underwear in the stores.

The situation is much the same in the other satellite countries—Poland, Bulgaria and Rumania. Whether such conditions can ultimately lead to successful big-scale revolt or even counter-revolution in modern police states is an unanswered question. But, to quote U. S. News once more, "The Communists, behind the Iron Curtain, give their subject peoples less food and clothing, not more, and the idea is spreading that Moscow's formula for prosperity doesn't really work well in practice anywhere."

## In Grayling 23 Years Ago

Interesting Items of News Gathered From the Files of the Avalanche of 23 Years Ago.

March 17, 1932

Mrs. George Burke is a patient at Mercy Hospital suffering with an attack of flu. Mr. Burke also is a patient at the hospital with an attack of flu.

Old rivals met again on the local court last Tuesday evening when the Gaylord Merchants and the Lumberjacks clashed in a pre-tournament game intended for practice purposes but what proved to be a severe test for the locals, losing Gaylord out 18-23. Grayling led the way, and easily took the honors the first half but the second half Gaylord came back and the locals had plenty to think about.

Neither Hendrickson or Harrison could make their previous performances over for this fracas and the latter part of the game the spectators got excited over the fact that there was but a few moments to go. Brady caged one at this point that clinched things for Grayling and at the bell Gaylord was trailing by 4 points. The several township political parties nominated candidates for the April election this week. Following is a list of the nomination that have come in: Grayling Township, Republican ticket, Supervisor, Lloyd Jennings, and Clerk, Carl Sorenson; Democratic ticket, Supervisor, Anthony J. Nelson, and Clerk, Amos Hunter; Maple Forest, Union ticket, Super-

visor, Rufus Edmonds, and Clerk, Martha Petersen; Lovells Township, Peoples party, Supervisor, J. E. Kellogg, and Clerk, Ruth Caid; Frederic Township, Republican ticket, Supervisor, C. S. Barber, and Clerk, Carl Johnson; Citizens ticket, Supervisor, Ray Murphy, and Clerk, E. A. Corsaut; and Beaver Creek Township, Republican ticket, Supervisor, George Annis, and Clerk, John Lambert; Citizens ticket, Supervisor, Frank Lave, and Clerk, Etta Nowlin.

Gaylord High School, who carried off the honors in the local district tournament in Class C, were victorious over Boyne City in their first game of the Regional tournament at Petoskey, winning by a lone point. The score was 15-14. But in the finale Saturday night, Charlevoix was easy victor over Gaylord by the score of 16 to 9, the former winning place in the State tournament to be held at Lansing. Petoskey was the winner in Class B over Traverse City. Gaylord St. Mary's district winners in Class D, lost to Maple City in their first game, when the score was a tie and they lost on points.

Mrs. Julius Gardiner, age 80, of Escanaba passed away at Mercy Hospital Tuesday morning. Mrs. Gardiner was brought to Mercy Hospital three days before, her health in a critical condition as the result of being badly burned at her home Wednesday morning. The aged lady was standing beside the stove when a fire broke out when in some manner her flannel night gown caught fire and before help could come to her assistance she was seriously burned about the entire body.

Mrs. James Williams, age 83, passed away at her home in South Branch Township Sunday night after an illness of several months. Mrs. Williams was a former resident of Grayling.

Mr. and Mrs. Frank Karnes, sons, Jack and Bob, of Flint visited at the home of Mrs. Karnes' parents, Mr. and Mrs. George Miller for a few days. They returned to Flint Wednesday. Mrs. George Miller and son, George, Jr., accompanied them.

LaVerne Cushman, principal of Grayling High School for the past five years, has accepted a position as superintendent of the public schools of Britton, Lenawee County, for the next school year. While here Mr. Cushman, besides serving as principal of the high school, has been the athletic coach for the school and has turned out a number of winning teams, especially in basketball.

Saturday afternoon, Mrs. A. J. Joseph entertained her bridge club at luncheon. Twelve ladies found their places at a long table centered with spring flowers. Tallies and prizes for bridge which followed the luncheon were carried out in St. Patrick's colors. Miss Margrethe Bauman held the high score. Mrs. Emil Giegling and Mrs. Gordon Moffat were guests of the club.

Mr. and Mrs. Earl Marshall entertained at a "yard" party Thursday night for the benefit of the L. N. L. Pedro and pinocchio were played and prizes were won by Mrs. Hattie Post and Mrs. Dora Winterly, for pinocchio; Mrs. Sidney Robarge and Ben Peterson for Pedro. The penny prize was won by Mrs. Marshall.

The Avalanche office now has a phone and the number is 111. George Schiabe reports that 225 tons of ice was put up at Lake Michigan this year for Michigan National Guard purposes.

Mr. and Mrs. H. E. Coar of Grayling are visiting at the home of Mr. and Mrs. James Bagby, looking as though he was coming through the winter in good shape. John Powell and family has moved to Farwell, in Clare County, where he has accepted a position with a grocery store. He was not physically strong enough to wrestle with saw logs of lumber and met the vicissitudes of temperature here.

George Sorenson was called to Saginaw Wednesday to take charge of the remains of G. Lundquist who passed away Wednesday morning.

"Yes. Engine stalling caused by carburetor icing happens most at temperatures from 28° to 58° Standard Premium Gasoline prevents it!"

You'll need the protection of STANDARD WHITE CROWN Premium Gasoline, on warm days or cold. The "De-Icer" additive prevents ice from forming on the throttle plate of the carburetor, which can cut off the fuel mixture during idling... It's a high octane gas made for knock-free performance in old cars or new. For a tankful of worry-free, anti-stall gasoline—stop at Standard today.

You expect more from STANDARD and get it!

\$2,247\* makes it yours, delivered and ready to roll

We keep coming across a good many people who still are surprised when they see the low delivered price of the Buick shown here.

They're surprised because they know that this price is just about what a lot of the smaller cars are asking—if not more.

But that's just the point.

What's making the 1955 Buick the hottest one in all Buick sales history is the simple fact that its low delivered price buys so much more automobile.

Much more automobile when it comes to the lift and life of great V8 power—Buick power in record might.

Much more automobile when it comes to style and size and room and ride steadiness—and the integrity of construction that comes of Buick building.

Much more, too, when it comes to matching your motoring needs to the simple practicality of your budget—because Buick offers you

**DID YOU KNOW?**  
—that the Buick Special is priced below any other car of 180 horsepower and 122-inch wheelbase?  
—that the Buick Special is priced below some models of the three best-known smaller cars?  
—that the Buick Special gives you more pounds of automobile than any other car at its low price?

\*Local delivered price of the 1955 Buick Special. Excludes taxes, license, title and local dealer's optional equipment. Excludes the factory-installed extras you may want or need, such as heater & defroster... \$21,200. Radio & antenna... \$22,500.

a stunning choice in just about every price class... Like the rock-bottom-priced SPECIAL—the high-powered CENTURY—the extra-spacious SUPER—the magnificent and custom-built ROAMASTER. Each is a Buick through and through—and each is a big reason why Buick sales are soaring as never before.

Why not drop in on us this week and see how much your new-car dollars can really buy—in thrills and fun and comfort and deep satisfaction—when you buy Buick.

Thrill of the year is Buick

LEGAL NOTICES

**STATE OF MICHIGAN**  
The Probate Court for the  
County of Crawford, Michigan.  
In the Matter of the Estate of  
LORIE WILLIAMS, Deceased.  
LORIE WILLIAMS having filed in  
the Probate Court for the County  
of Crawford, Michigan, a petition  
for the appointment of an executor  
of her estate, and a copy of said  
petition having been served upon  
all persons entitled to notice thereof,  
it is Ordered, That the 11th day  
of April A. D. 1953 at 10:00 o'clock  
in the forenoon, of said Probate  
Court, be and is hereby appointed  
for hearing said petition;  
It is further Ordered, That Public  
notice thereof be given by publication  
of a copy of this order, once each  
week for three consecutive  
weeks previous to said day  
of hearing, in the Crawford County  
Advertiser, a newspaper printed  
and circulated in said County.  
Respectfully,  
Judge of Probate.  
A true copy.  
Reuben Neffie  
Judge of Probate, 24-10-17

any or all bids and to waive any  
defect and award the bid that is  
in the opinion of the Board is to  
the best interest of Crawford County.  
M. M. Richmond, chairman,  
10-17 B. A. Conant, member.

**To the Owner or Owners of Any  
and All Interests in or Leases  
Upon the Lands Herein  
Described:**  
Take Notice that sale has been  
lawfully made of the following de-  
scribed land for unpaid taxes  
thereon, and that the undersigned  
has title thereto under tax deed  
or deeds issued thereon, and that  
you are entitled to a reconveyance  
thereof, at any time within six  
months after return of service of  
this notice, upon payment to the  
undersigned or to the Register in  
Chancery of the County in which  
the lands lie of all sums paid up  
on such purchase, together with  
fifty per centum additional there-  
to, and the fees of the Sheriff for  
this service or cost of publication  
of this notice, which fee shall be  
the same as provided by law for  
service of subpoenas or for orders  
of publication or the cost of such  
service by registered mail, and the  
further sum of five dollars for  
each description of land, together  
with the cost of charges. Pro-  
vided, that with respect to pur-  
chasers at the tax sale held in the  
years 1938, 1939 and 1940 the  
sum stated in such notice as a con-  
dition of reconveyance shall only  
be all sums paid as a condition of  
the tax title purchase, together  
with ten per centum additional  
thereon. If payment as aforesaid  
is not made, the undersigned will  
institute proceedings for posses-  
sion of the land.  
State of Michigan,  
County of Crawford.  
SW 1/4 of NW 1/4 Grayling Town-  
ship, Sec. 34, Twp. 27N, R. 10E,  
33rd, 34th, 1949. Amount paid \$8.31.  
Amount necessary to redeem  
\$12.61 plus \$3.00, plus the fees of  
the Sheriff.  
Walter Raven,  
9101 Middlebelt Road,  
Livonia, Michigan.  
To Carl Smith, 2501 Rosedale,  
Dallas, Texas, last grantee in the  
regular chain of title of such lands,  
or of any interest therein, as ap-  
pearing by the records in the office  
of the Register of Deeds of said  
County, at the date of the deliv-  
ery of this notice to the Sheriff  
for service.

## Bits O' Talk

Mrs. Walter Mikesell, better known as Polly, is a hair dresser at the Avalonch office. She is taking the place of Mrs. Valdi Watkins who has resigned. Mrs. Watkins received word that her husband left for the states from Korea on March 7th.

Mrs. John Lindeman entertained a number of friends of the Misses Martin-Mullikin and Rhylis Randall at a dinner party last Thursday evening. It was a belated birthday party in honor of the girls.

Mr. and Mrs. Charles Corwin spent last Thursday in Iowa where they attended the funeral of her brother-in-law, Charles M. Corwin.

Mr. and Mrs. Lorne Douglas spent the weekend in Battle Creek where they attended the installation of the Order of the Amaranth. Mrs. Douglas was the installing officer.

Mrs. Matilda Hunter entertained Milton Weinstein of East Lansing last Wednesday and Thursday.

Mr. and Mrs. Chester Smeltzer daughter and friend of Ann Arbo, and Mr. and Mrs. Alfred Johnson and family of Bear Lake spent last weekend with Mr. and Mrs. Matt Edson.

Miss Karen Hanson, daughter of the Hon. Hanson, was 12 years old on March 7th and on March 4th all the girls in her class at school were invited to her home to help her celebrate. Games were played and the group then presented a program.

The dinner table was especially decorated for the occasion. Following dinner the group enjoyed the show at the Rialto Theatre.

Mrs. Russell Scholten and little daughter Becky returned to their home in Flint last Thursday after spending several days with her parents, the Menno Corwins. Mrs. Scholten drove up to take them home.

Dr. James Gibbons, who is intern at the state hospital, Traverse City, visited his father Dr. Gerald Gibbons, who returned from a month's vacation in Florida last week.

Miss Pearl Leventon of Bay City spent the weekend of the 5th visiting her mother, Mrs. Maggie Leventon.

Mrs. Alta MacMillan, who has been spending some time in Holly is in Midland for a few weeks.

Pvt. Robert Barnett, Jr., has the following new address: 1518413, C. Biry, 1st AAA - AW Bn., M.C. T.C., 29 Palms, California.

## LOVELLS TOWNSHIP NOMINATES OFFICERS

The following candidates were nominated for the following offices in the Township of Lovells on Saturday, March 5th, 1955: Supervisor, Wm. T. Miller; Clerk, Louise Hecchi; Treasurer, B. J. Mundt; Trustee, Patrick E. Harwood; Trustee, C. Stillwagon; Justice of Peace (4 yr. term) Harold Johnson; Justice of Peace (2 yr. term) Gust Koernke; Board of Review, Edgar Douglas; Board of Review, Harold Johnson; and Constables, Wm. F. Koernke and Fred G. Koernke.

## Feldhauser School Notes

Our school is to have hot running water for the first time, as the School board has ordered an electric heater from B-C-D Co. We will appreciate it very, very much.

A partition has been put in our basement making a nice play room there.

Mr. John MacAuley visited us a few days ago and brought us some interesting books about Railroads.

Mrs. Johanna Gorman called on us and brought us some dental study charts.

The Fettyjohn children were absent several days. They had the flu.

Mrs. Harrod's room has Irish hats and shamrocks on the windows.

We have a pair of real hand carved wooden shoes from Holland in Mrs. Wakeley's room. They are a gift from Mr. Gene Brown. He brought them from Holland.

Alice Shaw, Reporter

SORENSEN FUNERAL HOME

## Air Force "Cream"

Carl G. Hatfield

Airman Carl G. Hatfield, son of Mr. and Mrs. Harold J. Hatfield of Grayling, was recently selected as one of the five top men undergoing basic training at the Sampson Air Force Base, Geneva, New York. The five men were selected from a group of 2,000 designated as the "cream of the crop" in the Air Force Training Top Five.

Carl is a graduate of Grayling High School and attended Ferris Institute where he received a degree in commerce. While in school, he was active in dramatics, band, football, rifle club and the Student Council. He was a member of the Grayling Bowhunters and the Youth Fellowship Club of the Michigan Memorial Church. Prior to his entrance into the Air Force in Detroit, Carl was an office worker for the Quartermaster General, Michigan National Guard at Camp Grayling.

## Forest Report

(Continued from Page 1)

camping season by a seasonal employee. Foresters are also responsible for the maintenance of many of the public fishing sites throughout the State.

Tree planting, generally believed to be one of a forester's major occupations, does not at present constitute a very large segment of the total job. This is largely true because present management is aimed at taking full advantage of nature's efforts at natural regeneration, thus reducing the need for artificial planting. Public demand for nursery stock since the end of World War II has absorbed the bulk of our nursery output so that relatively small amounts of stock have been available for planting on state land. This has been desirable since it is estimated that the total reforestation job needed on private lands in the state is ten times that to be done on state land. Much of our plantable acreage is being withheld from planting because of game considerations. Foresters and game managers coordinate very closely in formulating planting plans to assure due consideration for wildlife needs. Much of the planting has been done in the past few years and plans are now formulated to carry out the remainder of the job over a period of years at a fairly uniform rate. The development of planting machines has greatly simplified reforestation and has solved much of the manpower problem. More and more work is being done in the disk of jack pine stands before cutting as an aid to more satisfactory natural reproduction.

Applications for easements across state land are received in large numbers for power lines, public roads, oil lines and oil well locations. Each must be examined by the Forester before being approved. Following approval, the construction must be closely followed to assure proper processing of forest products and disposal of debris. Products are later sold.

Applications for exchange of land are carefully appraised by the District Forester to determine whether values are nearly equal and whether the state should consider each application.

A Forest Protection Program, set up state-wide in early 1950, has resulted in the establishment of permanent sample areas throughout each forest district. These sample areas are re-examined each year to determine which insects or diseases are present, the amount of damage being done, and whether damage is increasing, decreasing, or static. Where it is economically feasible, control measures are initiated. This is an important program since it is estimated that timber losses due to insects approaches the volume of seed losses due to fire each year.

A considerable amount of the District Forester's time is devoted to strictly land management problems. Individual use of public lands for purposes contrary to the general public interest, such as commercial advertising signs, unauthorized dumping of rubbish, pilferage of timber and Christmas trees, unauthorized grazing by domestic animals, illegal fencing or posting of cabins or homes is a recurring problem.

A large, important and continually expanding phase of state forest work lies in the area of "cooperative forest management." Each forester is responsible for rendering all possible assistance to private land owners who desire advice on any aspect of forest management, particularly in reforestation, management of existing stands, and insect control. These services are provided without charge as a stimulus to better forest management. A number of Tree Farms have resulted from this program of cooperative forest management. Quite often the work is done in conjunction with a County Agent or S.C.S. farm planner as part of an overall farm management plan. Since sixty percent of the commercial forest lands of the state and ninety percent of the commercial sawtimber is in private ownership, the proper management of these lands is extremely important to our economy.

## 23 Years Ago

(Continued from Page 1)

H. J. Learly of Toledo, general manager of the new Turpentine factory corporation has been in town this week and has now gone to Bay City for additional machinery for the enlargement of the plant. He with Mr. Halter built the experimental plant in this section of the world and have proven its success.

The railroad telephone will connect this week with the City of Grayling phone so that the people can tell if the trains are on time. The phone will be in P. C. Hill's office.

The City Telephone bells are ringing merrily all over town. Nearly a hundred are already in use and more coming. Our citizens are wondering how we succeeded without them before.

W. Woodfield, finance keeper of the local lodge K. A. T. M., has received a check for a thousand dollars to be distributed to the beneficiaries in the family of the late Fred Hoest.

Crows have made their appearance here and our merchants are selling out their show cards for flowers and garden seeds. They must think spring is approaching.

The Turpentine plant started up Monday morning for business. It is reported that the co-partnership has been changed to a corporation, capitalized at \$150,000, and that the plant will at once be enlarged from three to twelve refiners, giving four times its present capacity and that the chemical plant, to care for the by-products of this and other turpentine plants owned by the corporation will be built here.

## ST. MARY'S SCHOOL HONOR ROLL

Scholastic Honor Roll

Grade 4 — Janet Campbell, John Marshall and Pamela Mauren.

Grade 5 — Timothy Parry.

Grade 6 — Helen Marie Balch, Tom Galvani and William Keway.

No gasoline-no, not a single one-has higher octane than

# New 1955 GULF NO-NOX

This lamp test shows what a difference Gulf super-refining makes. Gulf refines out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new, clean-burning Gulf NO-NOX. Just see how clean new NO-NOX burns.

This is GULF'S PLEDGE to the motoring public

• We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.

• It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection.

• This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Refining Company.

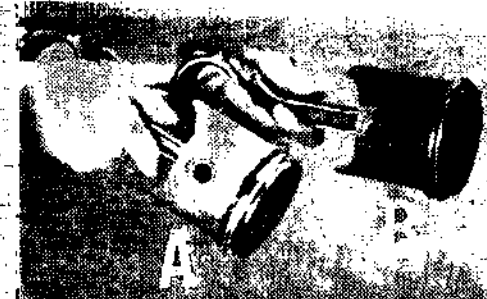

but octane alone is not enough...

That's why new Super-Refined Gulf NO-NOX is specially made to burn clean—to protect your engine—to give you thousands of extra miles of full engine power.

Fill up with new Super-Refined Gulf NO-NOX and feel the difference in lasting power. You'll get:

- More complete engine protection than with so-called "miracle-additive" gasolines.
- Extra gas mileage in the short-trip, stop-and-go driving motorists do most.
- Stall-proof smoothness... instant starts... fast, fuel-saving warm-up.
- No knock, no pre-ignition—even in today's high-compression engines.

Compare clean piston "A" from engine using new NO-NOX with piston "B" from engine using the "dirty-burning tail-end" of gasoline that Gulf refines out. Both pistons shown here, from Gulf test engines, ran the same number of hours under the same conditions.

It's super-refined... to burn clean!

16¢ '55 gasoline for all high-compression engines.

## Bits O' Talk

Marvin Bickel is enjoying a ten day vacation from his studies at Northwestern Michigan College, Traverse City, with his parents, the Joseph Bickels.

The Misses Burns and Amber Meech arrived home Wednesday and are enjoying a vacation from their duties at Hidden Valley Ski Club, Gaylord.

Mr. and Mrs. George Stingley left Friday to spend ten days visiting their daughter, Mr. and Mrs. Vernon Gardner and family in Wyandotte and their son, Mr. and Mrs. Robert Stingley and family in Plymouth.

The George Stingleys entertained Mr. and Mrs. L. H. Smith on March 6th to celebrate Mr. Smith's birthday.

Mr. and Mrs. Don Jansen returned Saturday from a four-day visit to their parents in Saginaw.

Mrs. Luther Herrick had a visit from her daughter, Mr. and Mrs. Charles Theaker, on their way north from Flint.

Harold Johnson, A. L. Hull, M. M. Richmond, E. A. Corsaut, and Orlan Russell of the Crawford County Road Commission, attended the Annual Highway Engineering Conference at Grand Rapids March 14 to 17.

Mrs. Wm. Lenkowski drove to Gaylord Saturday to bring her daughter, Miss Charlene, home for a week end visit.

Mr. E. J. Birdall spent Saturday at his home in his son and family, the Billy Evanses.

Mr. and Mrs. Allen Philbrick and children, Alice III, Dale Lee, Carolyn and Elizabeth, from West Branch, were Sunday guests of the Lee Hills.

Dr. Gerald Gibbons was visited over the week end by his son, James, who is employed at the Traverse City State Hospital, and fiancée, Miss Donna Ball of Charlevoix.

Bradley Stephan of E. M. C. was home for the week end visiting with his folks, the John Haefkas.

There was a family party Saturday night to celebrate Brad's twentieth birthday, also his aunt, Mrs. Emma Ingram's birthday, which falls on the same date.

March 16th, and his father's birthday, which is March 18th.

Mrs. Cella Granger, Mrs. Ulfar, Mrs. Russell, and Gary drove to Kalkaska Friday to attend a seventh birthday party for Linda Granger, who is the daughter of Howard Granger. Also present was Linda's grandmother, Mrs. Algot Johnson.

## Money Hospital News

Among the patients at Mercy Hospital are: Barbara Barber, Beatrice Hoell, Marie Morgan, William Grinnell, Charlotte Lucksted, Maggie Leaverton, Fern MacArthur, Julia Mikkila, Mark Nelson, Michael Nelson, Gladys Nichols, Ernest Shook and Anthony Trudeau of Grayling; Gladys Aldrich, Ernest Corwin, William Jones, Paul King, Robert Lester of Roscommon; Hazel Put, and Lillian Moore of Lewiston; Doris DeWitt of Luzerne; Sally Hummel of Hazel Park; Christian Klingner of Lyon Manor; Jeanette Hill of Kalkaska; Lee Gray, of Roscommon; Ruby Pray, of Atlanta; Florence Penn of Prudenville; George Reed of Onaway; Gregory Schwartz of Merritt; Lester and Ione Soops of Dearborn; and Eileen Sylvester, of South Boardman.

Mr. and Mrs. Keith McDonald of Prudenville have a baby girl born March 3.

The Kenneth Thornburgs of Kalkaska announce the arrival of a baby girl, born March 10.

Mr. and Mrs. H. H. Hill of Grayling, have a baby boy, born March 9.

Mr. and Mrs. Melbourne Prince of Atlanta, announce a baby girl, born March 13.

The Douglas Knuths of Grayling, announce the birth of a baby girl, born March 11.

Mr. and Mrs. Roger Barber of Grayling, have a baby girl, born March 14.

## Lovells Notes

Don McCormick spent Saturday with his folks, the John Haefkas.

Julia, Lois, Dorothy and Shirley Duty accompanied him here and returned to their homes Sunday afternoon.

Mr. and Mrs. Henry Eckstein of Red Oak were week end guests of the Tom Morris family.

Mr. and Mrs. Peder Olson returned home Saturday from their winter stay in Dade City, Fla. Welcome back Mr. and Mrs. Olson.

Bill Miller is driving a new Ford.

Charles N. Miller of Kenosha, Wis. called on friends in Lovells last week.

A very nice crowd attended the party Saturday night with William T. Miller and Carl Harris having charge that evening. As usual a very nice lunch was served by the ladies. Prizes were awarded to Mrs. Dora Eckstein receiving first prize and second prize to Ethel Morris. Vera Hartman, first prize and Gus Korneko, second prize. Mr. and Mrs. Fred Herrick will have charge this week Saturday.

Remember the St. Patrick dinner Thursday evening at 8 o'clock at the Ladies Club room.

Those wishing to send a card of letter to Bill Mayhew can do so to this new address: P.O. William T. Miller, R. 1, 16455007, Bldg. C, 65th Arm. Div., F.A.B.N. Div., Army 3rd Arm. Div. (Spearhead), Ft. Knox, Kentucky.

**CREOLE PORK CHOPS**

8 pork chops

1 cup diced carrots

1 cup diced celery

1 large onion, cut

1/2 green pepper, cut

1 can tomato soup

Salt, pepper

Season chops with salt and pepper and brown. Put chops at bottom and diced vegetables on top in roasting pan. Then put tomato soup over all. Bake about 25-30 min. at 350 degrees.

THIRD PRIZE

Mrs. W. Rauch

Grayling

**SALAD DRESSING**

1/2 cup sugar

1 cup tomato soup

1 medium onion, diced

1 garlic cube

1 cup Wesson oil

1 tsp. salt

Beat until well mixed. Toss lightly with lettuce, tomatoes, spring onion and celery and cover with dressing.

SECOND PRIZE

Mr. Albert Schreiber

Grayling

**HOMemade BREAD**

5 cups liquid

1 1/2 cups salt

1/4 cup sugar

1/2 cup shortening

2 dry yeast

flour

Dissolve yeast in 1/2 cup warm water, set aside. Now put liquid in a 50 pan. Liquid can be water or potato water saved from boiled potatoes. Have liquid lukewarm. Now add sugar, salt, shortening and dissolved yeast. Add stiff flour enough so it's firm to stir with spoon any more. Put a sifter of flour on a clean surface and empty mixture on this flour and knead with more flour until it's smooth and elastic. Place in greased pan - big enough so it can rise to twice its size. Knead down and let rise again. Now it's ready for bread pan. Divide dough into 5 or 6 equal parts. Shape into loaves. Put in greased bread pan. Let rise again in warm place until it comes to top of pan, about 1 1/2 hours. Then bake at 400 degrees for about 20 minutes or until golden brown on top and bottom. Remove from pan, press tops and sides with cloth. As soon as it's cool, it's good.

HERE IS MY RECIPE FOR WEEK OF MARCH 26th.
